ESTATE

CABERNET SAUVIGNON

2025

Doña Paula Estate Cabernet Sauvignon is born at Finca El Alto, in Ugarteche, Luján de Cuyo. There, loam-clay soils, the mountain climate, and sustainable vineyard management come together to create an intense wine with firm tannins and remarkable elegance. An authentic expression of terroir and varietal character. Deep ruby red in color, it reveals aromas of black fruits, cassis, spices, red pepper, and graphite. On the palate, it is concentrated, with ripe, full-bodied tannins and a long, persistent finish.

WINEMAKING

A controlled fermentation is carried out at temperatures between 25 and 28 °C, lasting 15 to 20 days in concrete tanks. Thirty percent of the wine is aged for 12 months in first-, second-, and third-use French oak barrels.

Alcohol	14% vol
