CABERNET SAUVIGNON

2024

Sourced from Finca El Alto, this Cabernet Sauvignon with a touch of Malbec combines power, freshness, and a well-defined structure. It is an expressive and complex red wine that authentically reflects the character of the Ugarteche terroir.

On the nose, it offers an intense aromatic palette with notes of blackberry, cherry, black pepper, coffee, tobacco leaves, and cocoa. On the palate, it shows good body, balanced freshness, a velvety texture, and a long, persistent finish.
