## MALBEC DOC | 2024

Doña Paula's Malbec DOC expresses the identity of Luján de Cuyo with notes of complexity and elegance highlighted by the age of the vineyards and meticulous winemaking. On the nose, the typical varietal fruit notes (plum, cherry, blackberry) are accompanied by subtle hints of rose, mint, and black pepper. On the palate, this Malbec elevates the combination of elegant, velvety tannins to a new dimension, with a subtle freshness resulting from a precise selection of the harvest time.

### WINEMAKING

50-year-old trellis planted on silty-loam soil with a base of calcareous alluvial material at a depth of 80 cm.

The grapes are harvested by hand. They pass through a sorting belt before being crushed and then fermented in stainless steel tanks. The wine is then aged in second- and third-use oak barrels for 15 months.
