SINGLE VINEYARD

SAUVIGNON BLANC

2024

From Finca Aluvia, at 1,350 meters above sea level in Gualtallary, this Sauvignon Blanc clearly expresses the energy and freshness of the Uco Valley. Its profile combines citrus, herbal, and mineral notes with a rich texture and a long finish. An authentic, vibrant white wine with a distinctive character. On the nose, intense aromas of lime, pink grapefruit, mint, spices, and subtle mineral notes stand out. On the palate, it offers good volume, defined freshness, and a persistent and elegant finish.

WINEMAKING

Part of the wine ferments in French oak barrels after 72 hours of maceration with the skins. The remainder is vinified in stainless steel without contact with the skins. Aged for 6 months.
